

CALLING B1.3 LICENSED ENGINEERS

Your
Charity
Needs
YOU!

Sloane Helicopters has a long and excellent reputation for providing helicopter EMS services and has been providing air ambulance support since 1999.

Due to continued expansion, we now have an exciting opportunity for a B1.3 Licensed Engineer to join the Sloane Helicopters team in support of the Essex & Herts Air Ambulance, based at North Weald and Earls Colne.

This is a fantastic opportunity to utilise and develop your existing skills to make a real difference in the world and to play a vital part in saving lives.

Reporting to the Line Maintenance Supervisor, this is a unique position for an engineer who is happy to work on their own initiative with a great deal of autonomy whilst, at the same time, being part of an experienced and supportive team.

The successful candidate will hold a B1.3 licence and, although not essential, ideally with type-ratings for AW169/AW109 aircraft. They will also need the personal discipline to maintain the aircraft in their care to a consistent high standard.

Working at Sloane is not just a job. Becoming part of the Sloane team will give you a real sense of belonging and you will be joining at a very exciting point in the company's continued evolution. We want to nurture and develop our employees to ensure they reach their full potential and to help drive the company forward to greater success.

In addition to a competitive salary, you will also be eligible to be enrolled on the new Employee Bonus Scheme which will grow in direct correlation with the company's success. Due to the mobile nature of this role, you will also be supplied with a company van.

Other benefits will include:

- Contributory Pension Scheme – 5% company contribution
- Private Healthcare
- Death in Service – 3x salary
- Income Protection Scheme

If using your skills and experience to help save lives sounds like the role that you have been waiting for, please forward your CV by email, together with details of your current salary, to Mrs Andrea Peel – apeel@sloanehelicopters.com
